# THE RAGAN FELLOWSHIP

## AS A RAGAN FELLOW, YOU WILL:

- Meet one-on-one with the profession's leading experts in employee communication
- Apply the latest, most successful approaches to your organization's employee communications
- Network with your peers, all leaders in the profession
- Take home solutions to your thorniest communications problems
- Continue learning with ongoing, personalized follow-up after you return to work

The Fellowship is like no other professional development opportunity. No lectures, no busy work. Participants set the agenda. We'll address your department's most pressing issues, as presented by the Fellows themselves.

"Thank you for putting together such a great program. The Fellowship is definitely one of the year's highlights for me. I came back to the office totally energized and ready to start putting into practice what I learned from your team and also my fellow Fellows."

*-Fellowship attendee, 2007*
